

# PANTONE 2015 SPRING COLORS

This season's spring fashion colors are selected to celebrate the arrival and softer side of the color spectrum. The mix of bright and soft pastels, along with nature-like neutrals, provides an all-season beautiful palette. These colors to drive away the winter blues and fit spring's color palette.

## AQUA BLUE

Lightest turquoise blue brings soft, airy feel to the wardrobe.

## ACE BASILINE

Like a dash of "for" the color, the bright, vibrant blue adds a pop of color to the wardrobe.

## ECOTE GREEN

A soft, earthy green that brings a sense of calm and balance to the wardrobe.

## CLASSIC BLUE

A rich, timeless blue that brings a sense of elegance and sophistication to the wardrobe.

## STRAWBERRY ICE

A soft, pastel pink that brings a sense of sweetness and femininity to the wardrobe.

## TANGERINE

A vibrant orange that brings a sense of energy and warmth to the wardrobe.

## LEMONADE

A bright, sunny yellow that brings a sense of cheer and optimism to the wardrobe.

## MARSALA

A rich, earthy red that brings a sense of depth and sophistication to the wardrobe.

## LAVENDER

A soft, romantic purple that brings a sense of femininity and grace to the wardrobe.

## CERULEAN

A deep, rich blue that brings a sense of calm and stability to the wardrobe.

## VERDANT

A vibrant green that brings a sense of energy and growth to the wardrobe.

## GOLDENROD

A bright, sunny yellow that brings a sense of cheer and optimism to the wardrobe.

## BLUSH

A soft, romantic pink that brings a sense of femininity and grace to the wardrobe.

## PERIWINKLE

A soft, romantic blue that brings a sense of calm and stability to the wardrobe.

## SAGE

A soft, earthy green that brings a sense of calm and balance to the wardrobe.
